

Vickie Sokol Evans, MCT

Microsoft Technology Instructor, Presenter & Author

Vickie Sokol Evans is a business applications professional who has conducted more than 1,000 technology classes and presentations to various levels of computer users. Whether you're a front-line worker or a senior-level executive, prepare to learn from the 14 year veteran. Vickie and her team of instructors deliver workshops, hands on training, and 1-on-1 coaching to audiences around the globe on Microsoft Office, InfoPath, SharePoint, and much more!

Author of the upcoming **100 Tips in 100 Minutes** for Windows 7 & Office 2010, Vickie is a Microsoft Certified Trainer and holds two additional certifications as a Microsoft Certified Application Specialist (Office 2007) and Microsoft Office Specialist Master Instructor (Office 2003). She travels the country delivering entertaining tips & tricks workshops to large audiences and facilitating Microsoft Experience Center (MEC) events on behalf of Microsoft for some of their largest customers. These half-day MEC events give executives and business decision makers a valuable end user perspective on the Office 2010 and SharePoint 2010 productivity platform.

Learn what hundreds of professionals across the country including celebrity assistants of Olympia Dukakis, Edie Falco, James Taylor, Kathleen Turner and Sofia Coppola, already know. One size fits none. Real superheroes wear a red cape and their outfitter is Vickie Sokol Evans.
